STEP INTO *the* SEASON **27/28**

For 78 seasons, Drury Lane has been a place where generations have come together for wonderful theatre, memorable meals, and evenings shared with family and friends. It is a tradition we are incredibly proud of — and one we never take for granted.

As we look ahead to our 2027/2028 Season, we wanted to make being a Drury Lane Member more special than ever.

This year, your membership goes well beyond your seat in the theatre. We are introducing new benefits designed to make every visit to Drury Lane a more complete experience — from expanded dining privileges and exclusive member events to our new Encore Rewards program, where the experiences you already enjoy at Drury Lane can lead to even more.

And, for the first time, we are introducing Premium Membership, giving members access to some of the very best seats in the theatre for every production throughout the season.

Of course, it all begins with what happens on our stage. We have put together a season filled with great music, laughter, romance and some of the most beloved works in American theatre: *Ain't Too Proud*, *Some Enchanted Evening*, *Clue*, *White Christmas* and *West Side Story*.

My family has always believed that a visit to Drury Lane should be more than simply seeing a show. It should be an occasion — something you look forward to, enjoy from the moment you arrive, and remember long after the curtain comes down.

That is the experience we want to give our members in the season ahead.

I look forward to welcoming you back.
